## A NOTE FROM SHERRY

Hello my friends,

I never thought I would be creating your newsletter from my home office! I hope this finds everyone in good spirits, good health and home safe!

Above is an image I shot downtown last month. If you're bored and haven't yet seen my work, would love for you to check out my photography site [www.skjphotography.org](http://www.skjphotography.org).

These have certainly been interesting and challenging times. Even we computer teachers are struggling to make online instruction work for you! Please be patient with us as we learn with you!

We will be holding summer session July 6-30 this year. Classes will continue to be online until further notice.

Please go to our CLASS website (listed below) for updates and instructions regarding registration and Google Classroom.

I would love to see you there and I'm sure your classmates would, too!

I realize this is a difficult transition for some of you, but I am here to walk you through the best I can. You will still have access to the book and data files if that is what you would like to work on. Otherwise, I have also assigned other projects to keep you busy.

For those of you who have continued to participate, thank you. Your support means so much to me.

I hope to see more of you over the summer!

## COVID-19 RESOURCES

The MCAS website has an abundance of resources for individuals and families needing different types of assistance. The site is [www.montebelloadulthood.com](http://www.montebelloadulthood.com).

Students are also able to register themselves online as well. You can use either site to access the link for registration. If you are a returning student, contact me and I will handle your registration. If you have friends, family members or acquaintances that are interested in enrolling, please refer them to our CLASS site for more information.

If you are looking for resources that are not listed on the MCAS site, reach out and I will do my best to help you!

## CONTACT ME

Email: [computerswithsherry@gmail.com](mailto:computerswithsherry@gmail.com)

Phone (text): (323) 400-5081  
(if you have a different phone number for me, you can continue to use the one you have).
